

INA KACZ SHE/HER

(ANEELHI REC, ON BOARD – FR)

Ina Kacz is a French/Polish DJ and producer based in Tbilisi. Her distinctive sound intertwines deep textures, hypnotic rhythms, and tribal grooves. Ina's uplifting and very personal sets have led her to perform in iconic spaces such as Berghain or Tresor in Berlin, Kalt in Strasbourg, Gare in Porto as well as renowned clubs across Georgia, her new home base.

After her debut releases on Colombian label From A Lost Place and Italy based Pregnant Void, Ina releases in 2024 her first EP 'Endless' on her newly-born imprint *Aneelhi Rec* - showcasing a distinctive sound and blend of atmospheres, ranging from dreamy half-tempo to infectious rhythms and techno-infused atmospheres, defining her ethereal approach to music and dancefloors. This same year, Ina's track 'Zephyra' is featured on Anastasia Kristensen's imprint *absorb emit*, pushing the boundaries of tribalism and groove to new horizons.
