

INA KACZ SHE/HER

(ANEELHI REC, ON BOARD – FR)

Ina Kacz's sound is a captivating fusion of tribal grooves, hypnotic rhythms with a slight touch of trance, drawing from a wide variety of influences. The French/Polish artist, now based in Tbilisi, crafts music that always retains an emotional touch at its core.

In 2024, Ina unveiled her debut EP *Endless* on her newly founded imprint Aneelhi Rec, a bold exploration of dreamy half-tempo beats and techno-infused atmospheres that marked a pivotal evolution in her identity. Her music has also appeared on Anastasia Kristensen's *absorb emit*, *Kalt Records*, *On Board Music*'s 10-year compilation, as well as on her own Aneelhi Rec's latest Various Artists, each track pushing her signature sound into bold new territories.

Ina's DJ sets are immersive, emotive, and unrelenting in their intensity, and Shave brought her to perform in iconic spaces such as Berghain and Tresor in Berlin, Bassiani in Tbilisi, # in Kyiv, Fold in London, or Womb in Tokyo. As she continues to explore and evolve, Ina carves a unique space for herself in electronic music, shaped by rhythm, emotion, and a constant search for new forms of expression.
