

# **JOLINE SCHEFFLER** *SHE/HER*

(KSR – SE)

Joline Scheffler, where hypnotic rhythms and hook driven, atmospheric textures intertwine. Rooted in techno's raw energy, her sound pulses with a driving intensity through sonic journeys.

Once a key figure behind the Northern Swedish collective Mötet, Joline has since left mark on labels like KSR, Warok or H-Productions. Now taking her craft to the stage as a live act, she shapes the dancefloor blending precision with intuition. Expect unreleased material and a deep dive into movement and mind.
