

## ZARA SHE/HER

(KINESIS, ANIMALIA, SALT MINES – AU)

### Short Bio:

Inspired by the interplay between sound, energy and emotion, Zara utilises deep atmospheric rhythms to create exploratory auditory journeys. Her sets and mixes are characterised by hypnotic psychedelic soundscapes constructed through layers of intricate deep techno, DnB and bass.

Her penchant for drawing out expressive qualities in music has earned her recognition within local and international electronic music circuits and communities. Her productions have further cemented her musical identity with EP's on Salt Mines, Pure Space.

### Full Bio:

Inspired by the interplay between sound, energy and emotion, Zara utilises deep atmospheric rhythms to create exploratory auditory journeys. Her sets and mixes are characterised by hypnotic psychedelic soundscapes constructed through layers of intricate deep techno, DnB and bass.

Her penchant for drawing out expressive qualities in music has earned her recognition within local and international electronic music circuits and communities. Zara has played at countless local establishments but recently has played at numerous festivals including Wormturn, un:send, minutiae and Moniker. She also features on highly acclaimed mix series including Sure Thing, Animalia, Rinse France, and Steeplejack. 2023 saw Zara undertake her debut EU tour, performing with Donato Dozzy and Neel's Spazio Disponibile label night and De School x Minimal Collective during ADE.

Her productions have further cemented her musical identity, carving out a unique space within the deep techno scene. Throughout 2022, Zara released EPs on Berlin-based Salt Mines and Pure Space alongside tracks on Pressure Dome, A-Biotic and Qeone Vision. With plenty more releases and a live set on the horizon, 2024 is shaping up to be an exciting year for this young and highly enthusiastic artist.

Zara also curates her own mix series and soon-to-be label Kinesis Recordings, focusing on off-kilter experimental music within Naarm that 'feeds the mind, moves the body and calms the soul'.
